A thank you to all who have encouraged donations via Newsletters and personal contact.

I have forward all Alzheimer's chairs and respective DVP about a film The National Alzheimer's Program produced. It would be something to show our Chapter's when we are able to return to one to one meetings.

I had a very nice note from a chapter member who had been worrying about how to make a donation. She had received her Chapter Newsletter and in it was her answer. She was thrilled.

Thank You! President Steve Roy for your interest in finding out how our WSF Alzheimer's Research Donation system works.
