

Washington State Federation  
District Vice President, D-II  
September 30, 2020

**Activities:** Not much happening with the D-II Chapters, due to the limitations of COVID-19. The Everett Chapter 193 and Northwest Cascades Chapter 196 have held meetings using Go-to Meeting, and I have attended each of them. I have focused on the Redistricting Committee efforts, and we have a proposal for your consideration. This proposal was forwarded to you by Steven Roy and is up for discussion at our meeting on Wednesday.

I also attended several Zoom meetings with Rep. Rick Larsen, (WA-02) talking about COVID-19 and pending legislation.
