

**Washington State Federation  
District Vice President, D-II  
December 9, 2020**

**Activities:** Not much happening with the D-II Chapters due to the limitations of COVID-19. The Everett Chapter 193 and Northwest Cascades Chapter 196 have held meetings using Go-to Meeting, and I have attended each of them.

The Redistricting Committee efforts were completed and turned over to the Federation for finalizing the DVP Reporting forms and will go into effect starting January 1, 2021.

I also attended several Zoom Townhall meetings with Rep. Rick Larsen (WA-02), talking about COVID-19, pending legislation, and the New Health Benefits.

I attended the NARFE National Membership Meeting webinar on October 28, 2020, not much change for participation.

As for 2021 budget needs, that is anybody's guess. How the rollout of the vaccine for Covid-19 happens will, in large part, determine the number of meeting that we will have in 2021. It seems every day there is a new projection on the distribution of the vaccine and how successful it will be. Murphy's Law will also be in play. I expect that somewhere between August and December, we will have everyone who will take the vaccination inoculated. So maybe by January of 2021, we can start to get back to normal.

I have not submitted a travel voucher for any expenses in the past two years. And I expect that we will continue to have more virtual meetings. And I don't know how having an Alternate or Associate DVP will impact the budget, so my best guess or the need for 2021 is to use the five year average for the DVP.

John Wells  
Vice President, District II
