- Sheri Davies-Sipila took our NARFE magazines and flyers to the PSNS FEHB health fair on-base and gave leftover materials to a PSNS HR person.
- Conducted our election of two (2) Ex. Bd. members via an online voting platform, phone call or newsletter insert; received 23 votes out of 508 members. Will install officers via email.

AMS (Ongoing and Johann is aware)

- Out-of-state members cannot be looked up from the Federation level. They do, however, appear on their chapter's roster. They also appear if you run a Federation member list and put it in order by state.
- We're still fighting AMS over former Port Orchard members reverting back to Port Orchard when they renew their dues.

WSF Document Revisions

- Mary and I have worked our way through position descriptions (PD) for President, Vice President, and Secretary; we reviewed them with the people in those positions and have final DRAFTS. Next on the list is Treasurer.

How Will I Use My DVP Money?

- Attend in-person WSF and chapter meetings
- District Workshop – Linda suggested AMS training (free if using GoToMeeting)
