

BE PREPARED – IMPORTANT INFORMATION
Make copies as needed for each individual annuitant

Merry Byrum is our NARFE Chapter Service Officer. She is here to assist NARFE Chapter Members and their family when they experience the loss of a retired annuitant, the annuitant's spouse or loss of the surviving spouse. The information is needed to prepare notification to the Office of Personnel Management (OPM), which is not always immediately available. Many times, it is a family member helping to provide the required information.

If you take the time NOW to complete the following form, the information needed to notify OPM after the death of a NARFE member or family member will be readily available when needed. It will also help expedite the notification and the receipt of claim forms.
